STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat

Dollar bottle holds 30 times as much as the trial, or 60 cent size.

Prepared at the Laboratory of E. C. DeWitt & Co., Chicago, U.S.A.

KANSAS CITY STOCK MARKET

Special to the Chieftain.

Stock Yards, Kansas City, Mo., Monday, Jan. 15th, 1906. There has been a larger supply and a better class of stuff in the quarantine division in the last ten days than for several months. Best steers advanced about 10 cents last week, selling up to \$4.00 on Friday, bulk of steers last week at \$4.00 to \$4.40. The run today is 31 cars but no fancy steers are included, top \$4.25 for a ten car shipment of Bevins steers from Oklahoma City. Some light 900 lb. Indian steers sold at \$3.55 and some medium grade cows at \$2.75. Top loads of cows sold last week at \$3.25, and odd head at \$3.50, fed bulls \$2.25 to \$3.15, a load of stags \$3.35, veal calves at \$6.50. Market today is steady on all kinds. In the native division today buyers tried to force a decline on account of an excessive supply at Chicago, and market 10 to 20 lower receipts have been liberal, a let up is predicted this week or next, which would help the market considerably.

Although hog receipts are heavier than a year ago at this time, they are still below what the packers had figured on, and strong prices are the result. The market closed last week at the highest point reached this winter, and light weights selling closer to the top than any previous time lately, and pigs again selling in with loads in many cases. Market opened weak today, but closed strong, run 9500, top \$5.40, bulk of sales \$5.25 to \$5.35, light hogs at \$5.10 to \$5.30.

Sheep and lamb prices began to weaken the last of last week, and prospects are that the market will be a little lower this week. Liberal supply is the cause, run last week 36,000, today 15,000, market 10 lower today. A good share of the stuff is poorly finished, a bad influence on the market. Fed Western lambs are selling today at \$6.85 to \$7.35, wethers and yearlings \$5.75 to \$6.40, ewes \$5 to \$5.50. Feeding lambs can occasionally be secured at \$5.75 to \$6.25.

Kansas City, Mo., Monday, Jan. 15th 1906. Some sales in the Quarantine division here today. Bevins & Co., Oklahoma City, O. T., 208 steers; 1089 lbs; at \$4.25. D. & B. Gilbert, Claremore, I. T., 69 steers; 923 lbs at \$3.75. T. J. Brown, Indianola, Ok., 39 steers; 850 lbs at \$3.65. H. B. Nelson, Wainright, I. T., 50 steers; 900 lbs; \$3.55. W. T. Wynn, Indianola, O. T., 25 cows and heifers 804 lbs at \$2.75; 19 cows 831 lbs at \$2.75. D. A. Wright, Tattle, I. T., 43 steers; 982 lbs; \$4.00; 3 bulls, 1406 lbs at \$2.85. Market steady.

UNSEEN DANGER IS ON OUR TRACK

From the time of our birth till we lie down for the last time

The best defense from the dangers of disease is vigor of body and activity of the natural functions.

The kind of assistance is important. It must not be stimulation for that gives but temporary effect, and the reaction is more than depressing. Take a tonic—one that will re-establish normal digestion and assimilation and prove a reconstructive rather than a promoter of waste. This will give nature a fair chance to put in motion normal work of repair and tissue building.

Such a tonic was given in Nature's Laboratory, hidden in the ground and brought thence forty years ago by Dr. R. V. Pierce, who has made the treatment of lingering diseases his life-long study and care.

He uses glyceric extracts instead of alcoholic ones, exactly proportioned and combined by processes of his own invention. First used in his private practice and now given out freely to the world in his "Golden Medical Discovery," which is composed of Golden Seal root, Queen's root, Stone root, Black Cherry bark, Blood-root and Mandrake root.

Mrs. A. T. Jones, of 26 Hayes Street, San Francisco, Cal., writes: "As a child I was delicate, and great care was taken of me because some of my relatives had died of consumption, although my father and mother were healthy. I grew up with one or two ordinary diseases of all children, but about two years ago I contracted a severe cold, which would not yield to such home-treatment as was usually resorted to, but after three months of this treatment I was only worse. Then I was advised to try Dr. Pierce's Golden Medical Discovery, and am glad to say that three bottles not only cured me of the cold and cough, but made me feel better than I ever had before. I will always have a bottle of this medicine in the house."

These tiny, sugar-coated, nut-brown granules regulate and invigorate Stomach, Liver and Bowels. Do not forget the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor. Put up in vials: always fresh and reliable.

FOLEY'S Honey and Tar

It stops the Cough and heals the lungs. Prevents Pneumonia and Consumption.

Mrs. G. VACHKA, of 157 Osgood St., Chicago, writes: "My wife had la grippe and I left her with a very bad cough on her lungs which FOLEY'S HONEY AND TAR cured completely."

How is Your Watch Running?

I Talways fast or slow? Never quite on time? Perhaps the Watch is capable of very accurate running but it is not in perfect order. You know the tiny mechanism of a Watch absolutely demands that each of the dozens of little parts, springs, wheels, jewels, etc., be just right or good timing is out of the question.

Watch Repairing has always been a hobby with me, to do the best work possible.
